### QueerCECAD Network

QueerCECAD is a newly established network for LGBTQ+ allies within the CECAD community. This network will provide a safe and supportive space for individuals who identify as LGBTQ+ or allies to connect, share experiences and support each other.

It will also serve as a resource for education and awareness of LGBTQ+ issues and ensure that the interests of this community are represented and officially communicated, thereby helping to improve inclusivity in our workplaces.

**If you are interested in joining or knowing more about the network contact us:**
