

# The Cologne Aging Conference 2024

## *From Molecules to Complex Organisms*

January 29 – 30, 2024

Organized by  **CECAD**

*Cologne Excellence Cluster for Aging & Aging-Associated Diseases*

### KEYNOTE SPEAKERS

Pekka Katajisto (Finland)  
Susanne Mandrup (Denmark)  
Emma Teeling (Ireland)  
Ines Thiele (Ireland)

### SPEAKERS

Salvador Aznar Benitah (Spain)  
Filipe Cabreiro (Germany)  
Della David (United Kingdom)  
Andrew Dillin (United States, CA)  
Ana García-Sáez (Germany)  
Sara Hägg (Sweden)  
Jan Hoeijmakers (Netherlands)  
Ron Jachimowicz (Germany)  
Jan Karlseder (United States, CA)  
Ana Martin-Villalba (Germany)  
Kazuhiro Nakamura (Japan)  
Anne Schäfer (Germany)  
Sophie Steculorum (Germany)  
Anu Suomalainen-Wartiovaara (Finland)  
Jan Vijg (United States, NY)  
David Vilchez (Germany)  
Sara Wickström (Germany)

Venue: Max Planck Institute for Biology of Ageing

**No registration fee**  
*but registration necessary*

Image: Dr. Christian Jüngst, CECAD Imaging Facility

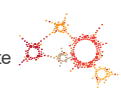

Circadian Clocks | Computational Biology | Conserved Aging Mechanisms | Epidemiology | Evolution  
Genome Maintenance | Host-microbiome interactions | Metabolism | Neurobiology | Proteostasis  
Regeneration | Sex Differences in Physiology and Aging | Stem Cells
