

CECAD Travel Grants

We offer five Travel Grants (1,500 EUR each) to CECAD PostDocs and last year PhD students. The purpose of these fellowships is to enhance opportunities to actively advance your Postdoc career perspectives through networking with prospective host PIs while visiting a conference. Presentation of your scientific achievements at the meeting by at least a first-author poster is a prerequisite to be considered for funding.

Your application should include:

- Short description of your motivation to attend the conference outlining how participation in this particular conference would advance your academic career
- Outline of your strategy to actively pursue career opportunities during this meeting (This should include the names of 1 - 2 attending PIs you intend to meet)
- Short description how you are going to present your achievements during the conference (poster, talk etc.)
- CV
- Abstract for the conference
- Program of the conference

The conference should take place between January 1 and December 31, 2016. Conferences that already took place can be refunded subsequently, when approved for funding.

Please send your application (in English only) as one PDF file under the keyword “Travel Grant 2016” to jenny.ostermann@uni-koeln.de by July 17, 2016 at the latest.

If you should have any further questions, please contact Jenny Ostermann, CECAD Education, Career Development and Gender Equality Department (jenny.ostermann@uni-koeln.de, 0221/478-84047) on behalf of Prof. Dr. Carien Niessen.
